

STUDENT TEMPORARY EXPERIENCE PROGRAM

STUDENT AGREEMENT

As a participant of the Student Temporary Experience Program, I understand that I will be assigned to a highway construction project located in one of the following states: Alaska, Idaho, Montana, Oregon, Washington, or Wyoming. In addition to my regular salary (paid biweekly), I will also receive project per diem (paid monthly) at no less than the standard CONUS (Continental United States) rate of \$86.00 per day for the first 15 days on the project (short term) and no less than \$50.65 per day for the duration of the assignment (long term rate). The only exception is when the assignment is in Yellowstone National Park where housing is provided. In Yellowstone, per diem is paid at the rate of \$47.00 per day for the first 15 days (short term) and \$44.84 per day thereafter (long term).

I understand that as part of this agreement I am responsible for keeping the Federal Highway Administration informed of my current address and phone number.

The following shows my availability for work and school schedules (please fill in the blanks).

Dates	Available for Work	Returning to School
2004/05 School year		
2005/06 School year		
2006/07 School year		
Anticipated Graduation Date		

I understand the work periods are generally limited to summer only.
